

Cooperative Research Centre for Water Sensitive Cities Researchers Workshop 2016

Tuesday 6 – Wednesday 7 September
Bayview Eden Hotel

Purpose

The CRCWSC is going through an exciting phase in shifting focus from knowledge generation in the initial stage of projects to adoption and utilisation of outputs approaching project completion. During the 2016 Researchers Workshop we will celebrate the achievements to date in terms of research impact, and discuss how outcomes of the first phase will be incorporated into planning for the second tranche of research projects that commence in 2016.
