

IRP1 Workshop #2

Day 1 – Building a Business Case

Tuesday 21st February, 9:00am to 4:00pm

Kweeljup Room, Water Corporation, Leederville

In this workshop we will look at how to make sense of non-market valuations, how to use them and how to combine them with other strategies to construct a business case within a city's transition from 'conventional' to 'water sensitive'.
