

Brabham Workshop #3

Integrated Research Project 3

26 July 2019

AGENDA

Brabham Water Innovation Collaborative Workshop 3

26 July 2019, 9.15am – 1.00pm

Objectives and Outcomes

The objectives of the third workshop are to:

- discuss progress towards actions agreed at workshop 2 (see Brabham Water Innovation Collaboration Workshop #2, 7 June 19 – Workshop Summary) related to the use of rejected recharge as a source of water for irrigation purposes at Brabham;
- consider mechanisms to support collaborative delivery of trials and demonstrations; and
- highlight the required reforms for enabling the use or ‘mainstreaming’ of alternative water sources for irrigation of future development proposals.

Workshop Details

Location	City of Swan, Old Midland Courthouse 49 Helena Street Midland Please sign in at the security reception desk and ask for Jeremy Manning Easy walking distance to Midland Train Station
